

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at <http://about.jstor.org/participate-jstor/individuals/early-journal-content>.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

CONTRIBUTIONS TOWARDS THE DEFECIT FOR 1916

(Supplementary List of Contributors)

Contributions from the following 181 members, in addition to the 172 whose names were published in the February BULLETIN, bring the total receipts from this source (up to March 6) to \$899. The amount of the 1916 deficit was \$930. .

The officers appreciate highly this generous response to their appeal. It will greatly strengthen the work of the Association for the current year. So far as can now be anticipated, the continuing increase in the membership will meet the immediate pressing needs of the Association, though it will not provide so fully as is desirable for the development of ocmmittee work nor for the publication of reports.
